English

Our main text this half term will be 'The Great Fire of London'. We will be looking at this fantastic Non- Fiction book at learning about the features.

We will be learning how to write our own piece of Non-Fiction writing based on 'The Great Fire of London'.

We will then look at Diary Entries and study Samuel Pepys.

PE

In PE, we have a coach from Tigers Trust who will be doing one session per week- the focus this half term will be Ball Skills.

Maths

In maths this half term, we will be recapping and learning about Place Value, Addition and Subtraction and Multiplication and Division.

We will be focussing on our 2, 5 and 10 times tables.

Music

In music, the children will be developing an understanding of musical language and how timbre, dynamics and tempo affect the mood of songs.

Science

In Science, we will be exploring Plants. This will include how we look after plants, the names of the different parts and what they need to grow. We will be having a go at growing some cress and sunflowers.

Year 2

Summer 1

Topic:

The Great Fire of London

History

In History, the children will be exploring 'The Great Fire of London'.This will involve how it happened, when it happened, where it happened and who started the fire. We will also compare London from before the fire to after.

Art

We will be exploring the formal elements of art: pattern, texture and tone; children will create printed patterns using everyday objects; take rubbings using different media and learn how to make their drawings three dimensional.

RE

In RE, we will be studying the unit 'What makes some places sacred to believers?' This will include looking at religious symbols, places and objects.

PSHE and Heartsmart

We will continue to learn how to be Heartsmart! We will be thinking about perseverance, friendship, forgiveness, reflection of our actions and how we and others feel.

Computing

The children will develop their confidence and ability with the Chromebooks to learn how to use them for information and control systems. We will be creating Editing images and photographs and using simple animation using imovies.
