Children in Need 2019

As we you have recently been so generous for Macmillan, fundraising for Hello Yellow, Harvest Festival and Christmas activities coming up we have made the decision to not hold any activities for Children in Need in school. We are actually closed for staff training that day but there will be plenty of ways for you to be involved in the surrounding area.

Cauliflower Cards

Please could any orders be back at school by Tuesday at the latest in order that Friends of School, who are co-ordinating it this year, can place the orders in time for writing those Christmas Cards!

Signing children in and out of school

Some of you may have noticed our new screen in the main reception which is for staff and visitors to sign in on. We are now using it for pupils to sign into if they arrive late or are collected early. It will always prompt you to give a reason for the late arrival or early collection.

Parking

When parking near the school, please do so with due consideration (at both ends of the school day), avoiding the zig zag lines and the bus bay. We know it can be difficult at busy times and on some occasions even means parking some distance away from the school and walking your child on to the site.

Casual MSAs

We are keen to appoint Casual Midday Supervisors who can offer a caring approach to the supervision of children during their lunch break. The successful candidate(s) will be responsible for pupils' safety and well-being, supervising them in the dining room, classrooms and on the playgrounds. An Enhanced DBS check is required for this position. Please contact Mrs Wilson in the office for further details.
