

English

Throughout this half term, the children will be reading *Holes* by Louis Sachar. From this, we will be creating imaginative pieces of writing. Alongside this, we will be developing our reading comprehension skills such as inference and retrieval.

Geography

Children will be looking at the human and physical geography for areas in the Northern and Southern hemispheres, and an area along the equator. Furthermore, we will look at how the Earth has changed over time, from ~~Pearcey + Madeline Pearcey~~.

History

Children will be studying about the changes in Britain from the Stone Age to the Iron Age.

Spanish

Children will be speaking, reading and writing Spanish phrases linked to the weather and travel and transport.

Mathematics

In Mathematics we will learn about:
Adding, subtracting, multiplying and dividing fractions.
Adding, subtracting, multiplying and dividing decimals.
Writing fractions as decimals.

Science

We will investigate Evolution, Adaption and Inheritance. This will include Darwin's theory of Evolution and how humans have adapted over time.

Year 6 Spring Term 2020 'Evolution' 'The Stone Age to The Iron Age'

RE

The theme this half term are:
Creation and science
What did Jesus do to save human beings?

PHSCE

The children will continue to study the Heart Smart programme with a focus on *Don't forget to let love in* and *Too much selfie isn't healthy*

Music

Children will be learning to play and perform in solo and ensemble contexts, using their voices and playing musical instruments with increasing accuracy, fluency, control and expression.

DT/Art

Children will be drawing and sketching art work linked to the graffiti artist Banksy. Children will be drawing, sketching and creating art in the style of Banksy to represent the Theory of Evolution.

PE

Children will be learning different skills related to the Paralympic Games which will be delivered by *First Step Sports* coaches. This will now take place on Wednesday afternoons.
