

## October 2022 Newsletter

As we approach the end of our first half term the children continue to impress me with their attitudes towards learning and their overall positivity. It was also great to see so many of you at the information evenings we held at the beginning of term. We hope you found them helpful and informative. We enjoy working in partnership with you, to support your child's learning on their journey through school.

### Friends of School

FOS are holding their AGM on Friday 14th October at 2.15pm at school. Everyone is welcome to come along to find out more of what they do!

### Harvest Festival

We will be having our Harvest Festival next Wednesday 19th October at 1.30pm in the

Church. Everyone is most welcome to join us. As we have done for the last few years, we are asking for donations of food, which we will be giving to the Holderness Foodbank which provides emergency food and support to local people, young and old, in crisis. **Please note that they are only able to take tinned and packet foods.**

### Cauliflower Cards

The orders for Cauliflower Cards have now gone and we look forward to seeing the finished products! Your orders mean that you have raised £240 for the school.

### Celebration Assembly

Celebration assembly at the end of September was wonderfully attended. Our next one will be Friday 21st October at 2.30pm. Come along & join us!

**Mrs Dee has been collecting nearly new uniform that has been pre-loved and this will be available outside from school office. Please contribute to this if you have anything outgrown.**

### Parent Pop-ins

Thursday 13th October 9:00 a.m.  
Monday 17th October SEND information session 5:30pm followed by pop 'back' with Mrs Pepper 6:00 p.m.

### Attendance

**The national expectation for school attendance is 97%. During September ours stood at 96%**  
We have started to see an increase in the number of term time holiday requests. Our children have missed lots of school over the past couple of years and it is essential that all of our children are in school every day unless they are ill. Year six families should note that the children will continue undertaking a full curriculum until the end of the summer term. This is to ensure that they are able to access the curriculum at high school. Term-time holidays will not be authorised unless there are exceptional circumstances provided. **Thank you for your continued support EVERY DAY MATTERS!**

**World Mental Health Day**

“We can ‘conker’ any problem if we pull together!” We celebrated World Mental Health day on Monday 10th October by creating this piece of conker art. Each year group added their own layer to the heart and we discussed how important it is to have the support of those around you.

**Love Languages Day**

We celebrated Languages day last week and we looked at what learning a language can do in terms of the cultural knowledge gained, the skills we develop from it and how these will help in everything the children do now and in the future. Tolerance and respect and celebration of diversity were key threads woven throughout the day, which started with a French breakfast, as we learn French here. Huge thanks to Mrs Braithwaite and Ms Karacsony who came into school to share their experiences as they both speak a number of languages and use these within their work.

- Thurs 13th Oct - 9am - Pop in with Mrs Pepper
