Review Date: March 2027

Chair of Governors Signed

Our Anti Bullying policy strengthens and supports the Christian identity of our school, reaffirms our vision and associated values and enables the flourishing of all pupils. As part of the Christian Ethos of this school, our Christian vision is clear and underpins everything we do in school.

This guidance outlines Patrington C of E Academy's policy and practice to prevent and tackle bullying so that children are educated in a safe, secure and nurturing environment and loved unconditionally by God 'just as we are'. We are committed to developing an anti-bullying culture whereby no bullying, including between adults, or adults and children and young people will be tolerated. Everyone is equal and we treat everyone with dignity and respect. Our school is a place where everyone should be able to flourish in a loving and hospitable community. Due consideration has been given to 'Valuing All God's Children' when creating this policy.

Aims and purpose of the policy

- To ensure a secure and happy environment free from threat, harassment, discrimination or any type of bullying behaviour.
- To create an environment where all are treated with dignity and respect and where all members of the school community understand that bullying is not acceptable.
- To ensure a consistent approach to preventing, challenging and responding to incidents of bullying that occur.
- To inform pupils and parents of the school's expectations and to foster a productive partnership which helps to maintain a bullying-free environment.
- To outline our commitment to continuously improving our approach to tackling bullying by regularly monitoring and reviewing the impact of our preventative measures.

Definition of bullying

Bullying is hurtful, unkind or threatening behaviour, which is deliberate and repeated. Bullying can be carried out by an individual or a group of people towards another individual or group, where the bully or bullies hold more power than those being bullied. If bullying is allowed, it harms the perpetrator, the target and the whole school community along with its secure and happy environment.

The nature of bullying can be:

- Physical (e.g. hitting, kicking, pushing or inappropriate/unwanted physical contact, sexual violence)
- Verbal (e.g. name calling, ridicule, sexual abusive comments)
- Cyber (e.g. messaging, social media, email)

- Emotional/indirect/segregation (e.g. excluding someone, spreading rumours, sexual harassment)
- Visual/written (e.g. graffiti, gestures, wearing racist insignia)
- Damage to personal property
- Threat with a weapon
- Theft or extortion

Bullying can be based on any of the following things:

- Race (racist bullying)
- Sexual orientation (homophobic or biphobic)
- Special educational needs (SEN) or disability
- Culture or class
- Gender identity (transphobic)
- Gender (sexist bullying)
- Appearance or health conditions
- Religion or belief
- Related to home or other personal circumstances
- Related to another vulnerable group of people

Reporting bullying

Pupils are encouraged to tell somebody if they are being bullied. This could be a trusted friend or adult in school or at home.

Pupils should report incidents of bullying in any way they feel comfortable e.g. speaking to somebody, writing their worry down and handing it to a trusted person.

Staff - All staff have a duty to challenge bullying, including homophobic, biphobic and transphobic bullying and language. They must report bullying under the behaviour category on CPOMS (Child Protection Online Management System) and be vigilant to signs of bullying

Senior staff - The Senior Leadership team has overall responsibility for ensuring that the anti-bullying policy is followed by all members of staff and that the school upholds its duty to promote the safety and wellbeing of all young people. The Deputy Headteacher is the Senior Leader responsible for anti-bullying.

Parents/carers - Parents and carers also have a responsibility to look out for signs of bullying (e.g. distress, feigning illness, lack of concentration). Parents and carers should support their child to report the bullying to a member of school staff. Parents should report bullying to the Deputy Headteacher either in person or by telephoning or emailing the school office.

Pupils - Pupils should not take part in any kind of bullying and should watch out for signs of bullying among their peers. Pupils should never be bystanders to incidents of bullying; they should show courage, offer support to the victim and encourage them to report it.

Responding to bullying

When bullying has been reported, the following actions will be taken:

1. Staff will record the bullying by adding an 'Incident' on CPOMS; they will alert the Deputy Headteacher
2. The Deputy Headteacher supported by the Well-being team will monitor incidents and analyse the results.
3. The Well-being lead will provide a summary of the information at the end of each cycle (or at another time if asked) which the headteacher will report to the governing body at each meeting.
4. Support will be offered to the target of the bullying from the Well-being Lead or through the use of restorative practice activities.
5. Staff will proactively respond to the bully who may also require support from the Well-being Lead.

6. Senior Leadership team will notify parents and carers.
7. Senior Leadership team will assess whether any other authorities (such as police or local authority) need to be involved, particularly when actions take place outside of school.

Bullying outside of school

Bullying is unacceptable and will not be tolerated, whether it takes place inside or outside of school. Bullying can take place on the way to and from school, before or after school hours, at the weekend or during the school holidays, or in the wider community. The nature of cyber bullying in particular means that it can impact pupils' wellbeing beyond the school day. Staff, parents and carers, and pupils must be vigilant to bullying outside of school and report and respond according to their responsibilities outlined in this policy.

Derogatory language

Derogatory or offensive language is not acceptable and will not be tolerated. This type of language can take any of the forms of bullying listed in our definition of bullying. It will be challenged by staff and recorded and monitored on CPOMS and follow up actions and consequences, if appropriate, will be taken for pupils and staff found using any such language.

Prejudice-based incidents

A prejudice-based incident is a one-off incident of unkind or hurtful behaviour that is motivated by a prejudice or negative attitudes, beliefs or views towards a protected characteristic or minority group. It can be targeted towards an individual or groups of people and have a significant impact on those targeted. All prejudice-based incidents are taken seriously and recorded and monitored in school, with the headteacher reporting incidents to the governing body at each meeting. This not only ensures that all incidents are dealt with accordingly, but also helps to prevent bullying as it enables targeted anti-bullying interventions.

School strategies to prevent and tackle bullying

We use a range of measures to prevent and tackle bullying including:

- Our school vision which is at the heart of everything we do and ensures that all members of the school community are revered and respected as members of a community where all strive to be the best we can be showing respect and friendship to all.
- Actively providing systematic opportunities to develop pupils' social and emotional skills, including their resilience, particularly through each school's Emotional Literacy support programme.
- Consider all opportunities for addressing bullying including through the curriculum, displays, peer support and through the School Council. This will include PSHE sessions which can be used to discuss issues around diversity and draw out anti-bullying messages as well as opportunities for pupils to learn to value themselves, value others and appreciate and respect differences.
- Train all staff to identify bullying and follow the school's guidance and procedures on bullying, including recording incidents of bullying.
- Actively create 'safe spaces' for vulnerable children and young people and provide structured play opportunities at lunchtime and by using older children acting as play leaders.
- Providing opportunities for children to talk about their emotions on a daily basis.
- Collective worship explores the importance of inclusivity, dignity and respect as well as other themes that play a part in challenging bullying.
- Through a variety of planned activities and time across the curriculum pupils are given the opportunity to gain self-confidence and develop strategies to speak up for themselves and express their own thoughts and opinions.

- ‘Circles’ provides regular opportunities to discuss issues that may arise in class and for teachers to target specific interventions.
- Stereotypes are challenged by staff and pupils across the school.
- Restorative justice systems provide support to targets of bullying and those who show bullying behaviour.
- Pupils are continually involved in developing school-wide anti-bullying initiatives through the school council.
- Working with parents and carers, and in partnership with community organisations to tackle bullying where appropriate.

Involvement of pupils

We will:

- Ensure pupils know how to express worries and anxieties about bullying.
- Ensure all pupils are aware of the range of sanctions, which may be applied against those engaging in bullying. Involve pupils in anti-bullying sessions in schools.
- Offer support to pupils who have been bullied and to those who are bullying in order to address the problems they have
- Ensure there are opportunities for pupils to have a say about school issues

Liaison with parents and carers

We will:

- Ensure that all parents/carers know who to contact if they are worried about bullying.
- Ensure all parents/carers know about our complaints procedure and how to use it effectively.
- Ensure all parents/carers know where to access independent advice about bullying.
- Work with all parents and the local community to address issues beyond the school gates that give rise to bullying, utilising the school’s PSCO wherever necessary.

Training

The headteacher is responsible for ensuring that all school staff (including teaching assistants, church school workers and midday supervisors) receive regular training on all aspects of the anti-bullying policy. Monitoring the policy The Deputy Headteacher is responsible for monitoring the policy on a day to day basis and for monitoring and analysing the recorded data on bullying. Any trends should be noted and reported to the Headteacher.

Evaluating and reviewing

The headteacher is responsible for reporting to the governing body (and the local authority where applicable) on how the policy is being enforced and upheld, via the termly report. The governors are in turn responsible for evaluating the effectiveness of the policy via the termly report and by in-school monitoring such as learning walks, pupil discussions and Governing Body meetings. If further improvements are required the school policies and anti-bullying strategies should be reviewed. The policy is reviewed every 2 years, in consultation with the whole school community including staff, pupils, parents, carers and governors.
