

Running for Reading

This special event will take place on **Tuesday 28th April**, and every child will have the opportunity to take part by running laps of the playground/ field throughout the day. We will be joining thousands of schools in welcoming the TCS Mini London Marathon into school! Across the country hundreds of schools will be taking part! To take part we need to complete two miles of activity before May 1st.

We are asking children to gather sponsorship from family and friends, for their efforts in this challenge. Sponsorship forms will be sent home with your child and should be returned with the funds raised by **Friday 15th May**. All funds raised will go directly towards improving our school library, helping us to inspire a love of reading and ensure that every child has access to high-quality books

April 2026 Newsletter

It has been lovely to see all the children back in school and settled after the Easter break. We have attached the key dates for the upcoming term, some of which will be weather permitting of course! The summer term is always very busy so keep a look out for our further communications.

Courage is our focus value for this half term, please find attached the Home School Information around this value.

Class Photos

The photographer will be in school on **Thursday 30th April** to take whole class photos.

We have been made aware of a small number of ringworm cases in school. Please be assured that we are taking appropriate steps to minimise any spread, including encouraging regular and thorough handwashing with the children.

Please click on the link below for more information and check your child for any symptoms.
